SKATE FOR KIDS PROGRAM

The Rubber City Rollergirls are a nonprofit 501(c)(3) organization, and our mission includes giving back to the community, particularly causes that affect women and children. We do this through charitable donations, fundraisers and most special to us, our “Skate for Kids” program, which provides special skating events for homeless and other at-risk children, *free of charge*.

Our goals for this program are to increase the number of events we provide per year and to include increasingly more children. Your contribution toward our Skate for Kids Program will help us get there!
